## COMPANY OVERVIEW

**Bio-Ops** is a professional bio-recovery and decontamination service. We **specialize** in the **remediation of biohazardous waste**.

We are a **locally owned and operated** company in the Rio Grande Valley, we provide decontamination services for many incidents **not just**— **“Crime Scene Clean-up”**.

We are available **24 hours a day** with emergency or scheduled responses. We offer **free estimates** and a **100% satisfaction guarantee**.

Most of our services are **covered by homeowners, commercial, and automobile insurance policies**; so there is usually no out-of-pocket cost to our clients. We deal with the insurance company so you don't have to.

**Death, traumatic injury, and hazardous contamination are events that few ever plan to experience.** Unfortunately, these things happen and they are very difficult for people to cope with.

**Protect your family, employees, tenants, and customers** from Bloodborne Pathogens and other potentially harmful contamination.

**Reduce your liability** by having us **professionally disinfect** and restore the property to a **safe and habitable condition**.

Let us relieve you of the **emotional and technical burden of the clean-up** after an unexpected tragedy or accident. We can help the healing process begin.

### Credentials

- OSHA Trained, Certified , & Compliant
- Proper Industry Specific Insurance
- Proven Protective Equipment & Tools
- EPA Registered Disinfectants
- Federally Approved Disposal Methods
- 24 Hour Service - Emergency or Scheduled
